

ANTITRUST

AUDIENCE: All Employees **DURATION:** 20 minutes

Today's businesses must negotiate a maze of antitrust rules, a proliferation of antitrust laws in both established and emerging market countries, and premerger filing requirements in more than 60 nations. This course teaches employees how to recognize, avoid, and report violations of antitrust laws and regulations governing trade and competition in the marketplace.

Purpose

This course teaches employees how to recognize, avoid, and report anti-competitive conduct.

Topical Outline
